

HORIZON NORTH

Our Commitment to Health, Safety and Environmental (HSE) Performance

HSE Policy

Horizon North Logistics Inc. (HNL) is committed to achieving, maintaining and exceeding excellence in managing all of the HSE aspects of our operations. We steadfastly believe that this is the basis for reaching our vision of “Being recognized and valued by industry and the communities in which we operate as Best in Class in Health, Safety and Environmental performance”.

Furthermore, we will not only achieve our goals, but we will constantly monitor and improve our efforts and set new industry standards.

It is the responsibility of all employees, management, and sub-contractors, to ensure that all operations are performed in a safe manner and to comply with all HNL policies, procedures and guidelines. In addition, it is management’s responsibility to ensure that the HSE program is reviewed on an ongoing basis and updated as required.

Our goal is simple – “Achieving and maintaining incident and injury free operations”

Horizon North Logistics Inc. is committed to:

- Complying with all relevant legislation, regulation and industry standards;
- Continual improvement to drive down the HSE impacts of our operations by identifying all HSE aspects and impacts with appropriate controls and steps to improve them;
- Safety by believing all injuries are preventable;
- Protecting the land where we operate;
- Working with others – our customers, sub-contractors, competitors and regulators to raise the HSE standards of our industry;
- Recognizing those who contribute to improved HSE performance; and
- Openly reporting our HSE performance, not only taking record of the positives but also constructive detailing of the negatives.

Management and employees are all committed to meeting this policy, now and in the future.
